

10th French-Belgian ABC meeting

**Concluding remarks:
from Paris to Brussels to Paris**

ABC

10th French-Belgian ABC meeting

From Paris

What was it done for ?

- unformal meeting with colleagues working in the ABC field
- forum for young investigators
- platform for discussion

ABC

10th French-Belgian ABC meeting

... to Brussels

Why ?

to celebrate the
10th anniversary
with a more
« formal »
meeting ...

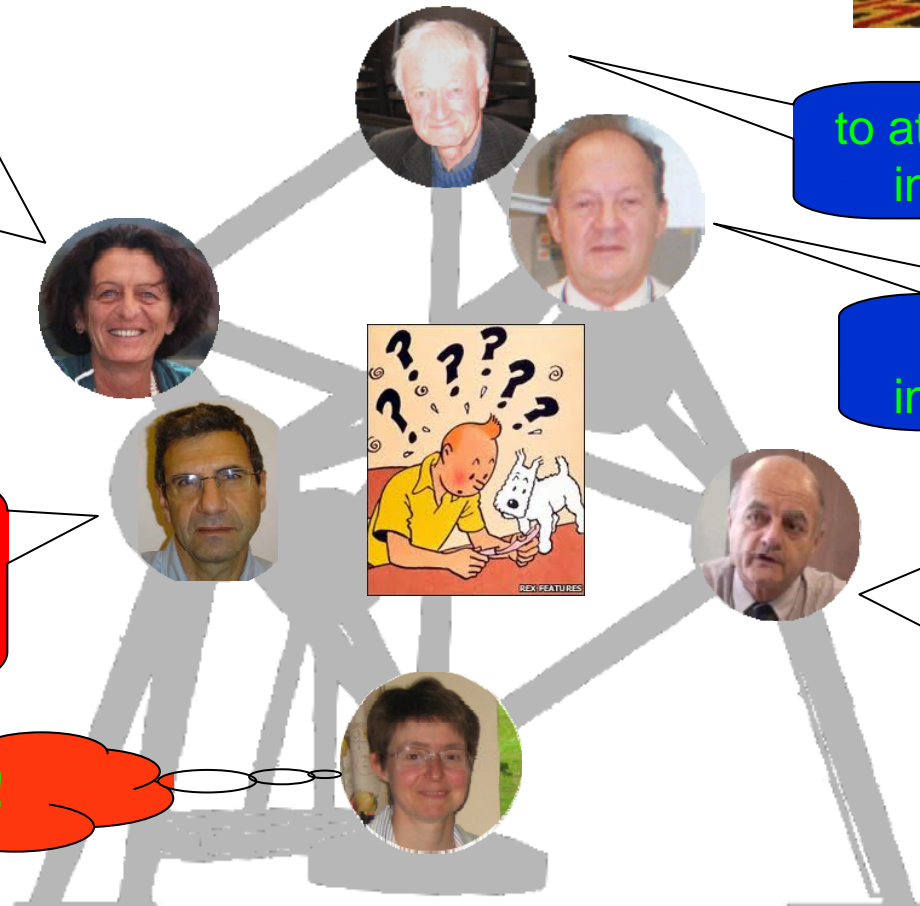

to attract new teams
in the group ...

... and to invite
international ones !

... and to
delocalize to
Belgium !

to further increase
discussion
opportunities by
extending the
meeting duration

YES , we can !

ABC

10th French-Belgian ABC meeting

.. back to Paris

What shall we do next year ?

- go back to the usual format
- keep the renewed enthusiasm of this meeting !
- hope to see the new members in Paris !
